

Welcome to the First Annual FCA Outdoors' Virtual Bass Tournament!

All Age Groups welcome! There will be 4 Different Divisions, with a first place and runner up for Top 5 longest bag, and a big fish award for each division.

The four divisions are Adult, High School, Middle School, and Elementary. This will give the best opportunity for competition and a chance to win prizes against others in your age group!

All Smallmouth, Spotted, and Largemouth Bass will be accepted.

Fish anywhere: private or public water.

We understand that not everyone will have access to the biggest fish; so every night there will be a live meeting with a raffle prize. Everyone who submits a fish each day, of any size, will be entered into the drawing that night.

***Please note: fish at your own risk and follow all local wildlife and fisheries rules and regulations.**

Please review the rules and make sure to obtain your own qualified Bump Board, “Golden Rule”, or Hog Trough type measure. These can be easily attained at sporting goods stores or Amazon or Walmart.

***No pictures with tape measures or tailor’s tape will be accepted.**

****Notice: Bumpboards that measure to the ¼ inch will get you better scores than a bumpboard that only measures to the nearest whole inch.**

Each registrant will need their own email address, and registrants under the age of thirteen will need an adult to run their account.
